

Warranty

Your satisfaction is our utmost importance as we stand by our quality and craftsmanship. Our products are proudly American Made. Please read the terms and conditions of our Warranty.

All warranties apply directly to the original retail purchaser; proof of purchase receipt may be required when submitting a claim under these warranties. All warranties are against defects in material and workmanship based on the stated time of the warranty under normal use, and from the date of purchase.

Limited Lifetime Warranty

Frame Construction – Limited Lifetime Warranty: Our frames are constructed in America with hand-selected woods, and meticulously assembled by our craftsmen and reinforced with corner blocking to ensure strong and durable seating.

Spring Suspension – Limited Lifetime Warranty: We use a steel spring seating suspension which results in proper spring action and balance.

Feather and Down – Limited Lifetime Warranty against Leakage: We use a high-density polyurethane foam core that is inserted into an anti-leak envelope filled with down and feathers.

Quality Assurance Warranty - Leather – Limited 5-Year Warranty:

- The leather will not harden.
- There will be no transfer of color.
- The leather will not tear under normal use.
- The finish will not peel from the leather.
- The finish will not show excessive fracture other than normal wrinkles from stretching. Variations in shade, texture and natural markings are all characteristics and qualities of fine leather. Please avoid chemicals or sunlight to preserve the natural beauty of your leather furniture.
- **Cushion Construction – Limited 3 Year Warranty:** Cushions are vital to a comfortable, long-lasting piece of quality leather upholstery. We carefully select quality cushioning components to ensure proper comfort. Our foam cushions are constructed of a polyurethane foam center core with polyester fiber wrap. The loss of resiliency should not be confused with softening and flattening of polyester fibers and the foam that will occur as a result of normal use and aging. All foam will soften and will not be considered a defect.
- **Motorized Mechanisms Warranty – Limited 1 Year Warranty:** We use worm direct drive motors and top-quality unique motor mechanisms to provide the most accurate and smooth operation.
- **Recliner Mechanism Warranty – Limited 3 Year Warranty:** All our recliner mechanisms are top quality and used in our motion and home theater products as well as motors.
- **Stitching and Fasteners Warranty – Limited 1 Year Warranty:** Seat Cushions, Back and Arm Pillows. The warranty is against Stitching and Fasteners that have a defect as well as thread breaks in sewing that occur under normal use. Moving furniture using attached Back Pillows / Arm Pillows is not a normal use and can void the warranty. Fabric is not warranted, it is covered for a limited 1 year against thread breakage.
