

Our most robust, full-bodied home recliner, the **Rialto** is right at home in a wide variety of home settings and venues. From "Way Out West" to the Rocky Mountains, to that librarian-like smoking jacket setting - the **Rialto** combines our most striking chair design with our most plush recliner seat to bring you a home recliner unlike any other you've ever experienced. When only the Best will do... the **Rialto** will be the center of attractions in your room, study or in front of your favorite viewing screen...

Rialto

When only the finest will do, **Rialto's** exquisite design offers comfort and versatile style. As one of the original recliners introduced over 20 years ago, we are proud of its long history and success. With an exceptional palette of more than 200 leathers and select ultra suedes, there isn't a decor that these recliners will not match. The comfort and eye appeal of the **Rialto** will last for years to come.
