

*The **Rio** is the perfect compliment to those country and western themed home theaters. Incorporating the flexibility of Premiere HTS' wall-hugger design with the comfort and styling esthetics of the luxurious Duke. This exclusive Designer upholstery has been a real winner. You can order it in any leather or fabric from our extensive collection. "Giddy -UP" to **RIO**...*

RIO

*The **Rio** combines the smaller sized frame of our club chair models with the superb fashion and comfort of our plushiest recliners. **Rio's** smaller footprint and extreme wall-hugger design allows for placement just 4" from a back wall, making it the perfect design choice for installation into smaller home theaters and apartments.*
